

NO. 2026-K-0712
COURT OF APPEAL, FOURTH CIRCUIT
STATE OF LOUISIANA
STATE OF LOUISIANA
VERSUS
MILTON YOUNG

IN RE: MILTON YOUNG

APPLYING FOR: SUPERVISORY WRIT

DIRECTED TO: HONORABLE TRACEY FLEMINGS-DAVILLIER
 CRIMINAL DISTRICT COURT ORLEANS PARISH
 SECTION “B”, 656-750

WRIT DENIED

Relator, Milton Young, seeks supervisory review of the district court’s September 1, 2026 ruling, which denied his “Motion to Suppress Statements.” Relator’s writ application is denied on the showing made.¹

¹ Relator’s writ application did not contain the transcript of the June 30, 2026 hearing on his Motion to Suppress Statements and did not contain all of the exhibits offered into evidence during the aforementioned hearing. Accordingly, this Court ordered Relator to supplement his writ application with same by October 13, 2026. Relator supplemented his writ application with the transcript and some exhibits on October 13, 2026, as ordered, and untimely supplemented his writ application with a video exhibit on October 14, 2026. However, the minute entry for the hearing on Relator’s Motion to Suppress Statements reflects the State introduced a total of seventeen exhibits at the hearing, and Relator has not provided this Court with all of those exhibits as ordered.

New Orleans, Louisiana, this 21st day of October, 2026.
